

Safety – It's a Team Effort

March 7-9, 2018 • Greater Columbus Convention Center

Industrial Hygiene and Chemical Safety

We have a game plan for industrial hygiene and chemical safety professionals at the **Ohio Safety Congress & Expo 2018 (OSC18)**!

Attend the Midwest's largest congress and expo dedicated to keeping your workforce safe, healthy and productive. Meet with vendors and choose from 200 educational sessions, including this roster of industrial hygiene and chemical safety topics.

A Guide to Selecting Personal Protective Equipment

Additive Manufacturing: Emerging Safety Opportunities

Can You Hear Me? Implementing FAES in Food Processing

Emergency Planning and Community Right-To-Know Act

Evaluation of Silica Exposures at a Countertop Fabricator

HazCom: SDS and Label Compliance in the Post-GHS Deadline Era

Know Your State. The Hidden Risks in Emergency Response

Mechanical Integrity: Safety can be Profitable

Simplified GHS Compliant SDS Training for Employees

All sessions are awarded continuing education credit by the International Association for Continuing Education and Training (IACET).
